### **Story, Crafts, Music, and Dance**

We're going to kick our imaginations into high gear! Ms. Caroline can't wait to see you for daily story time, arts and crafts, and of course some singing and dancing.

**Mondays 10:30-11:30am    Ages 3-6**

### **Animal Movers**

Come have fun moving and dancing like all kinds of animals! We will use books and pictures to explore jungle animals, barnyard animals, insects, dinosaurs and more. Our visuals and fun music will help inspire us to be creative and use our imagination to make animal dances!

**Mondays 4:00-4:45    Ages 3-6**

### **Pre-Jazz**

In this class, we will have tons of fun learning all about jazz dance! We will learn about the fundamentals of jazz technique and learn basic steps. Then, we will use those skills in jazz dances that we will learn in class, focusing on musicality. We will end each day with free dance, so everyone has a chance to find their own style and groove. This is the perfect class for any young dancer who wants to explore a fun, upbeat dance style!

**Tuesdays 3:45-4:45pm    Ages 4-6**
